Research Tender

Conservative Audit Firms in Asia

Purpose: Identify the most and least conservative auditors in Asia.

Requirements:

- (a) Identify by country, the most and least conservative auditors in Asia, with evidence for your conclusions. Evidence to include analysis of accounting interpretations, associations with poor quality companies, quality of ownership structure of firms, internal policies around audit/non-audit ratios, resignations etc.

Detours to be avoided:

- (a) A country-by-country description of each audit firm.

Scope:

Focus on the largest ten auditors in each of Bangladesh, India, Sri Lanka, China, Hong Kong, Thailand, Malaysia, Indonesia, Philippines, Korea, Singapore, and Taiwan. Maximum 20 page report.

Tender specifics:

Please submit a proposal by email (maximum of two pages) to ResearchandBrokerManagement@StewartInvestors.com on how you would conduct this research, over what timeframe and for what price. No exclusivity sought but commission acknowledgement required if sharing. Closing date for application: 31st Mar 2016.
