

Stewart Investors Worldwide Leaders Fund

Monthly Fund Factsheet

31 March 2025

- The Fund invests primarily in a diverse portfolio of equity securities or equity-related securities of larger capitalisation companies which are listed, traded or dealt in on any of the regulated markets worldwide.
- Investing with the sustainability investment strategy in the Fund is subject to the associated risks such as subjective judgement in investment selection, reliance on third party source, lack of global standardization regarding which activities qualify as sustainable and concentration in investments with sustainability focus.
- The Fund invests in emerging markets which may have increased risks than developed markets including liquidity risk, currency risk/control, political and economic uncertainties, high degree of volatility, settlement risk and custody risk.
- Investing in mid-capitalisation companies securities may have lower liquidity and their prices are more volatile to adverse economic developments.
- The Fund's investments may be concentrated in a single sector or small number of companies which may have higher volatility or greater loss of capital than more diversified portfolios.
- The Fund may expose to China market risk including repatriation risk, uncertainties to PRC taxation policies and risks associated with StockConnects, QFI, the ChiNext market and/or the STAR board. The Fund may also expose to RMB currency and conversion risk. The Fund may use FDIs for hedging and efficient portfolio management purposes, which may subject the Fund to additional liquidity, valuation, counterparty and over the counter transaction risks.
- It is possible that a part or entire value of your investment could be lost. You should not base your investment decision solely on this document. Please read the offering document including risk factors for details.

Investment objective & strategy

The Fund aims to achieve long term capital appreciation and sustainably invest in companies which both contribute to, and benefit from, sustainable development, achieving positive social and environmental sustainable outcomes. The Fund invests primarily in a diverse portfolio of equity securities or equity-related securities of larger capitalisation companies which are listed, traded or dealt in on any of the regulated markets worldwide.
