

Stewart Investors Worldwide Leaders Fund Class VI EUR

a subfund of First Sentier Investors Global Umbrella Fund plc (the Company) — Fund Factsheet

31 May 2025

Investment objective and policy

The Fund aims to grow your investment over the long term.

The Fund mainly invests in shares of mid and large-sized companies that are listed on exchanges worldwide. The fund may invest in both developed and emerging market countries. These companies generally have a total stock market value of at least US\$5 billion. The Fund invests in shares of high-quality companies which are positioned to contribute to, and benefit from, sustainable development. Investment decisions around high quality companies are based on three key points: (i) Quality of management. (ii) Quality of the franchise company including its social usefulness, their environmental impacts and efficiency and responsible business practices. (iii) Quality of the company's finances and their financial performance. Sustainability is a key part of the approach.

Pursuant to the EU Sustainable Finance Disclosure Regulation (EU 2019/2088), this Fund also has sustainable investment as its objective under Article 9.

Stewart Investors Worldwide Leaders Fund Class VI EUR

a subfund of First Sentier Investors Global Umbrella Fund plc (the Company) — Fund Factsheet

31 May 2025

The value of investments and any income from them may go down as well as up and is not guaranteed. Investors may get back significantly less than the original amount invested.

The Fund may experience the following risks:

Emerging market risk: Emerging markets tend to be more sensitive to economic and political conditions than developed markets. Other factors include greater liquidity risk, restrictions on investment or transfer of assets, failed/delayed settlement and difficulties valuing securities.

Currency risk: The Fund invests in assets which are denominated in other currencies; changes in exchange rates will affect the value of the Fund and could create losses. Currency control decisions made by governments could affect the value of the Fund's investments and could cause the Fund to defer or suspend redemptions of its shares.

Concentration risk: The Fund invests in a relatively small number of companies which may be riskier than a Fund that invests in a large number of companies.

For further information on risks, please refer to the Risk Factors section in the Company prospectus.

Investment should be made on the basis of the Prospectus and Key Information Document. If you are in any doubt as to the suitability of any of our funds for your investment needs, please seek independent financial advice.

Important information

This factsheet is a financial promotion in the UK and advertising within the meaning of the Swiss Federal Financial Services Act (FinSA) and can be used for retail clients in the UK and in Switzerland. Distribution is limited to Professional Clients in all other countries where lawful.

† An initial charge of up to 5% may be levied in certain circumstances, including on regular savings plans and may be remitted as commission to an intermediary.

† The ongoing charge figure (OCF) is calculated on the same basis as for the Key Information Document and represents the charges you will pay over a year for as long as you hold your investment and may vary from year to year. The OCF is made up of the annual management charge and additional expenses, but excludes portfolio transaction costs.
